# WATER QUANTITY AND QUALITY:

## Trends and New Challenges in Water Resources Management

### WELCOME TO QUÉBEC CITY

The Québec Branch of the CWRA invites you to this beautiful UNESCO World Heritage Site, which just celebrated 400 years of history. The conference will be held at Loews Le Concorde, located within walking distance from the old town.

REGISTER ONLINE TO :  
[www.cwra2009.org](http://www.cwra2009.org)

### ACCOMODATION

For hotel accommodation, contact the Loews Le Concorde directly at 1-800-463-5256 and quote the Canadian Water Resources Association to receive a special rate available until May 15, 2009.

Additional informations for student accomodations are available on the conference web site.

### A CARBON NEUTRAL EVENT

A portion of each registration fee will be used towards offsetting greenhouse gas emissions. Mitigation activities will also be set during the conference to minimize its environmental impact.

*The Canadian Water Resources Association (CWRA) annual conference discussions will focus on trends and new challenges related to water quantity and quality.*

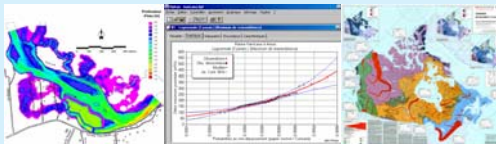

### 62<sup>nd</sup> CWRA ANNUAL CONFERENCE, IT'S...

#### ...FOR WATER RESOURCES STAKEHOLDERS

- Federal, Provincial or Municipal Water and Environmental Decision-Makers;
- Professionals, Engineers and Private Consultants;
- Students and Researchers;
- Water Infrastructure Managers;

#### ...MANY RELEVANT TECHNICAL SESSIONS

- Irrigation and Drainage (CANCID);
- Hydrogeology and Groundwater;
- Stormwater Management;
- Extremes Events in Hydrology;
- Low Flows and Water Availability;
- Climate Change Modeling;
- Lakes and Rivers Water Quality;
- Paleohydrology;
- Integrated Watershed Management
- Dam Safety.

#### ...PRE-CONFERENCE TECHNICAL WORKSHOPS

- Hydrodynamic 2D Modeling (in french);
- Hydrological Frequency Analysis using HYFRAN-PLUS;
- Online Ressources Mapping.

#### ...INSTRUCTIVES TECHNICAL VISITS

- Les Sept Chutes: Park, Dam and Power House;
- Hydraulics Machine Laboratory & Chaudière River Dam and Power House;
- Aquarium du Québec;
- St-Charles River Waterfront & Quebec Wastewater Treatment Plant;
- Water and Agriculture;
- Historical Walking Tour in Old Québec City: The Lily and the Lion;
- Daniel-Johnson Dam and Manic-5 Generating Station.

#### ...VARIOUS SOCIAL ACTIVITIES

- Ice-Breaker;
- SYP Activities;
- Poster Cocktail;
- CWRA Award Banquet.
